Ai	SL	2i	3i	Met	4	Outstanding	
Aii	SL	1ii	3i	Exceeded	3	Outstanding	
Ji	SL	2i	6	Exceeded	7	Outstanding	

“Headlines”:

- 100% made at least good progress against St. Nicholas criteria.
- 67% made outstanding progress against St Nicholas criteria
- 83% met national expectations (2 levels), 50% exceeded expectations (3 levels)
- 42% of pupils made at least 3 levels of progress (VA), 33% of pupils made at least 4 levels of progress (VA). 1 pupil made 7 bench marks of progress.

Resulting action in 2018/19:

- To target the higher attaining students in Yr 2 to ensure that they continue to accelerate their progression pathway and have an opportunity to access a mainstream satellite class.
- Review the St. Nicholas School progress definitions to reflect extended challenges required by our pupils showing outstanding progress.
- Review the criteria for good and outstanding progress for pupils with PMLD.
- To maximise opportunities for KS 1 pupils to develop greater resilience in their social, emotional and learning skills.
- Monitor the impact of this initiative using the pupil asset and SDQ’s
- To identify pupils who may either fall behind their expected progress or may have an incorrectly assigned need group.
